

They're losing their appetite. And you're the cause of it.

Earning just \$600 a month

They work exceedingly hard for their rice bowls

But due to our negligent habits

They are not enjoying what they slog to keep

Their jobs are courageously tough

Restroom cleaners deserve better, much better

Don't make them do more than their jobs require

Keep their workplace clean and dry

Have them look forward to their meals

**Show a little consideration and responsibility
It makes a big difference**
